EM2N was founded by Mathias Müller (*1966) and Daniel Niggli (*1970). Together with 6 associates and 65 collaborators they are working on construction and competition projects in Switzerland and abroad. They received the 'Swiss Art Awards in Architecture', 2004; 'Best Architects', 2008, 2010, 2012 & 2013; 'Umsicht-Regards-Sguardi', 2011; the 'Auszeichnung Guter Bauten' from the City of Zurich, 2011; 'Auszeichnung Guter Bauten' from the Canton of Basel-Stadt and Basel-Landschaft, 2008.

Mathias Müller and Daniel Niggli were visiting professors at the Swiss Federal Institute of Technology in Lausanne, as well as in Zurich. They are members of the Architects Group 'Krokodil'.
